The Course Overview

What We'll Learn?

Section 1

VMs/cgroup
namespaces
chroot

Section 3

Docker containers start,
stop and building docker
image

Section 5

Multi container using
Docker-compose and
Kompose with Pods
K8S

Section 2

Introduction to Containers
docker image, docker cli and
installation

Section 4

Features in Docker, Docker
volume, Docker network,
docker build

Let's Get Started
